# SOUTH AMERICAN NATIONS FOR NEUTRAL TRADE ROUTES

ternational Peace Urged at

Present Conference

"THE Pan-American Conference now in session here is something of vital interest Momentous Step Toward Future In- peaceful missions and keeping up that intercourse so vital to the well being of interdependent nations. to the United States. Amercans generally should recognize both its political and its commercial significance," said Roger W. Babson, the well known writer upon economics South America covering the better of the Western Hemisphere.

learned while on the sister continent | South America have been the theatre | much worse accidents have been nar- has made me more alive to the poten- for two stirring naval engagements | rowly averted.

I have just returned from a trip place around the immediate interests at night without displaying the usual part of five months, and what I "As you know, the waters about minor character have occurred and represented only one of the smaller

has made me more alive to the potential benefits that may be born of this meeting of representatives of the countries of the Western Hemisphere.

"As you probably know, South America has been extremely hard hit by the war in Europe. Financial diffience of the fact that the old order of the countries of the same oceans have been the particularly active zones for the sea times might easily provoke hostilities. Now the South Americans propose that the territorial waters shall reach seaward for a distance of anywhere from ten to twenty-five miles and the same oceans have been the particularly active zones for the sea times might easily provoke hostilities. Now the South Americans propose that the territorial waters shall reach seaward for a distance of anywhere from ten to twenty-five miles and "During my stay in the southern".

and an expert in statistical data bear-Europe. Its purpose has to do with trade. In addition to this these for-Europe in the future and centres in the first eign cruisers have held their stations and actually was the father of the

"About six months ago I wrote a little book entitled 'The Future of World Peace,' covering certain economic facts of lively concern to Americans. Dr. Frederico Alfonso Pezet, the able Minister from Peru, was very navigational lights, and collisions of a present Neutrality Commission. He Latin American republics, but was instrumental in enlisting the powerful
